FLIGHT III

FLIGHT III

Western Heights High School
Oklahoma City, Oklahoma

Foreword

As our high school years draw to a close, we look back with fond regret upon these wonderful moments as students of Western Heights School.

We, the annual staff of Western Heights, wish to express our sincere hope that your 1964 annual will serve as a treasure chest of memories for many years to come.

We hope we have included some interesting memories of each of you and that you will enjoy reading this annual as much as we have enjoyed preparing it for you. Remember:

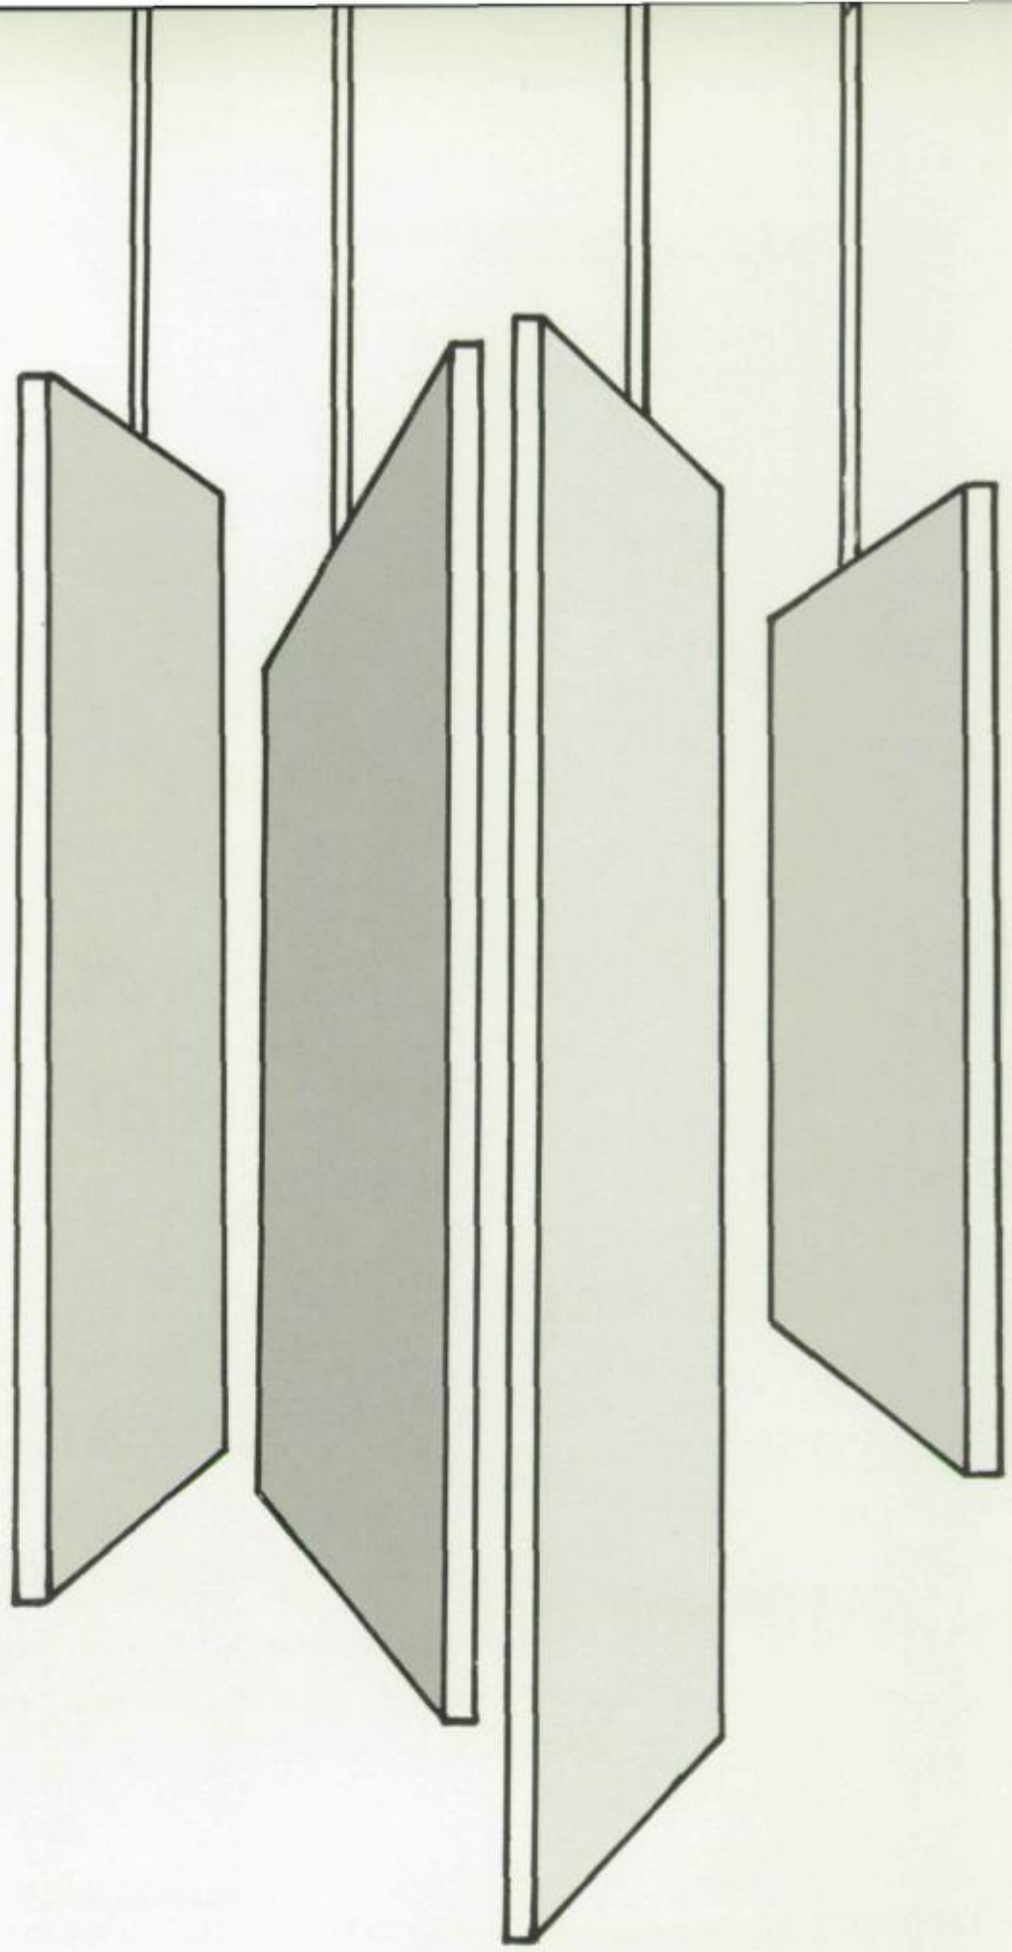
"Climb, though the rocks be rugged,
For Success is the goal of Western Heights."

Sandra Brill, Editor-in-Chief
Miss Virginia Scoggins, Sponsor

Dedication

We, the staff of 1964, are proud and honored to dedicate our yearbook to someone who has been with us throughout our school year and has always been willing to help us. In a sense he has been to us a blueprint upon which we can build as individuals.

We are honored to dedicate this edition, Flight III, to our principal, Mr. Carl Hildebrand.



ADMINISTRATION

MR. CARL HILDEBRAND
Senior High Principal

Your Principals Speak

It has often been said that no important civilization has ever risen where the conditions of life were easy and favorable.

Remember, you will be accountable for the kind of world you pass on to succeeding generations.

The road will be rough, but the rewards great. My every good wish is yours for your success in life. Set your goal high and reach for it.

You are, at this point in life, about to establish a pattern which will remain with you the rest of your life.

Some of you will seek to meet the responsibility through further education, while others will go directly into the economic and social life of the community. Whatever avenue you choose, strive for the fullness of life that comes with the satisfaction of a job well done. Emerson said it best, "We find in life exactly what we put in it."

MR. THOMAS HODGES
Junior High Principal

MR. DEVERT M. RYMER
Superintendent

I am both proud and appreciative of the time and energy given by the faculty, employees, and student body of Western Heights for another outstanding school year.

With pride and zest you met each call,
To make your new school the best of all,
As through your future years you pass,
Remember always your first class.

Board of Education

To the Board of Education, the men who stand behind the faculty, administrators and students of Western Heights, we wish to express our thanks. Left to right: Mr. Gerald Sladek, Mr. Ray Hardesty, Mr. Melvin Cameron, president; Mr. R. D. Whedbee, Mr. W. T. Rotramel.

Secretaries

Striving to do their best and make Western Heights one of the "best" in Oklahoma, are our secretaries, Mrs. Cavaness and Mrs. Deatherage. They have worked diligently with the faculty and school administrators again this year. To them we say "hats off" for helping us achieve our goal.
